

Wilderness Pouch

For Bag: Use Lightweight,
Standard, or Waxed Canvas
(or Mesh)

For Leather: Use 4-6oz
Veg-Tan Leather

Fold and Sew

Punch lace holes after sewing bag, but before you fold and sew again to hold lace in place

Cut 2

Sew around edges after folding and sewing top edge down

After all pieces are cut and sewn, sew small tab onto the front of the bag and install lace/drawstring. Then sew the bag and two leather pieces together (all three layers at once) to finish.
